VISION FOR RECONCILIATION

At PHWMCC, our vision is to contribute to a reconciled future between Aboriginal and Torres Strait Islander peoples and the wider Australian community by learning about and respectfully sharing knowledge of Aboriginal and Torres Strait Islander peoples' histories and cultures and deepening our understanding of the injustices of the past and their continuing impacts in the present. It is essential to involve our entire community in this changing future, especially children from a young age. In pursuit of our vision, we will learn and grow together, improving our community's knowledge of Aboriginal and Torres Strait Islander peoples' perspectives. We will do this by deepening our understanding, acceptance, and openness.

We strive to be an organisation who leads their community in building a future of reconciliation that is strengthened by the unity of all Australians. Our role is to raise awareness of reconciliation and the significance of recognising and respecting the histories, cultures and contributions of Aboriginal and Torres Strait Islander people as part of our shared national story and identity and to provide the opportunities for our community to come on this learning journey to create a positive mindset. We strive to create a future based on mutual respect, mutual resolve, and mutual relationships.

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional Custodians of the Land that we are situated on, the Dharug and Guringai people. We pay our respect to Elders, who walked before us, those who walk with us now and those who will walk with us in the future.

Children

Here is the Land, here is the sky, here are my friends and here am I

We stand on Dharug Country today, the Land on which we learn and play,

Together we promise to care for Dharug Country we all share.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander People in the Classroom	We are committed to engaging Aboriginal and Torres Strait Islander people in our learning activities. Having Aboriginal and Torres Strait Islander voices in learning environments is vital when teaching about Aboriginal and Torres Strait Islander histories and cultures.
Early Years Learning Framework	We seek out ways to connect our reconciliation vision and plans and Early Years Learning Framework principles, practices and outcomes. Our efforts mean reconciliation is embedded in everyday early learning environments.

RAP ACTIONS	COMMITMENT
Cultural Responsiveness for Staff	We are supported to reflect on and build our cultural responsiveness to improve our practice and best support the needs of Aboriginal and Torres Strait Islander students. We are provided with a range of opportunities to build our knowledge and understanding of our own positionality and Aboriginal and Torres Strait Islander perspectives, contributions and cultures.
Reconciliation Projects	Our early learning service will collaborate on projects that visibly and authentically embed Aboriginal and Torres Strait Islander histories and cultures in learning programs and the physical environment. Through this culture of collaboration across the early learning service and with the community, we commit to creating an environment where young people, staff and community members acknowledge, respect and experience connection to the First Australians.

RAP ACTIONS	COMMITMENT
Welcome to Country	Where appropriate, significant events at our early learning service commence with a Welcome to Country. Protocols for welcoming visitors to Country have been a part of Aboriginal and Torres Strait Islander cultures for thousands of years. By incorporating these protocols into formal events and important occasions, we recognise Aboriginal and Torres Strait Islander peoples as the First Australians and Custodians of the Land.
Celebrate National Reconciliation Week	Our early learning service community celebrates National Reconciliation Week (NRW) which is held from 27 May to 3 June each year by talking about reconciliation in the classroom and around the school, and celebrating with the community. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
Create Stakeholder List	We will develop and maintain a stakeholder list that reflects our current and future working relationships with members of the community who are committed to working collaboratively to drive reconciliation initiatives.

RAP ACTIONS	COMMITMENT
Build Relationships with Community	We commit to forming ongoing relationships with the local Aboriginal and Torres Strait Islander community. Our relationships will be built on mutual respect, trust and inclusiveness. We respect these relationships and the way they make opportunities for Aboriginal and Torres Strait Islander peoples and non-Indigenous staff, students, children and the community.

RAP ACTIONS	COMMITMENT
Teach about Reconciliation	Our early learning service community is committed to learning about reconciliation in Australia. Having an understanding of the concept, history and progress of reconciliation is an important part of continuing the reconciliation journey. This understanding also helps to strengthen engagement with our early learning service's RAP by positioning it within the broader story of reconciliation in Australia.
Explore Current Affairs and Issues	We commit to knowing the news and being responsive to current issues significant to Aboriginal and Torres Strait Islander peoples and the process of reconciliation. We will do this through delivering our curriculum, policies and procedures, and integrating it into the way our early learning service operates.

RAP ACTIONS	COMMITMENT
Acknowledgement of Country	Our early learning service recognises the continuing connection of Aboriginal and Torres Strait Islander peoples to the Country on which we live, work, learn and grow. All staff and students have the opportunity to show respect to Traditional Owners and Custodians by regularly conducting an Acknowledgement of Country at meetings and events throughout the year.
Visibly Demonstrate Respect for Aboriginal and Torres Strait Islander Cultures	We commit to demonstrating our respect for Aboriginal and Torres Strait Islander histories and cultures in the physical environment of our early learning service. We understand that making our respect visible in the learning environment through the incorporation of meaningful, relevant and culturally appropriate art, artefacts and symbolism reinforces our work toward reconciliation. It also makes our intentions and actions clear to our students, parents and the broader community.
Care for Country	We commit to actively connecting with, and caring for, the Country/place on which our early learning service stands. This involves respectfully learning about Aboriginal and Torres Strait Islander perspectives, philosophies and practices about caring for Country/place, as well as physically demonstrating respect for the skies, waterways and Land on which we live and learn. We will consider First Nations perspectives as part of broader sustainability plans, policies and practices. This will reinforce the meaningful and continuous connections Aboriginal and Torres Strait Islander peoples have continued to have with Country/place since time immemorial, as well as provide positive opportunities for all members of our educational community to become socially and environmentally responsible citizens who display a growing awareness of the importance of First Nations land management and sustainability.

RESPECT

WITH THE COMMUNITY

RAP ACTIONS	COMMITMENT
Celebrate Days of National Significance	We commit to organising and participating in events to celebrate or commemorate days/weeks of national significance for Aboriginal and Torres Strait Islander peoples and the reconciliation movement to show our pride in, and respect for, Aboriginal and Torres Strait Islander histories, cultures and contributions. We also commit to including Aboriginal and Torres Strait Islander perspectives when we commemorate other national days, such as January 26 (Australia Day) and Anzac Day.
Aboriginal and Torres Strait Islander Flags	Our early learning service flies/displays the Aboriginal and Torres Strait Islander flag at your early learning service to demonstrate respect and recognition for the histories, cultures and contributions of the First Peoples of Australia. Flying or displaying the flags promotes a sense of community partnership and a commitment toward reconciliation.
Physical Acknowledgement of Country	Our early learning service proudly commits to displaying a physical Acknowledgement of Country as a way of showing awareness of, and respect for, the Aboriginal or Torres Strait Islander Traditional Owners and Custodians of the land on which our early learning service is located.

RESPECT

WITH THE COMMUNITY

RAP ACTIONS	COMMITMENT
RAP Launch	Our early learning service is proud to launch our RAP at an event that recognises the efforts of the working group and celebrates our school or service's commitment to reconciliation. We will use our RAP launch event to inform the wider community about our RAP and the many different ways they can get involved and take action toward reconciliation.
Take Action Against Racism	We will raise awareness of racism, its impacts and how to respond effectively when it happens. We will do this through an anti-racism strategy tailored to the needs of our early learning service.

RAP ACTIONS	COMMITMENT
Curriculum Planning	Aboriginal and Torres Strait Islander histories and cultures are a key, ongoing part of curriculum planning, development and evaluation across all year levels and learning areas. We will review curriculum documents to find out where we include Aboriginal and Torres Strait Islander histories and cultures, and to what extent and where we could include Aboriginal and Torres Strait Islander histories, cultures and contributions in the curriculum.

RAP ACTIONS	COMMITMENT
Inclusive Policies	All staff at early learning service are aware of policies referring to improving educational outcomes for Aboriginal and Torres Strait Islander people and building knowledge of, and respect for, Aboriginal and Torres Strait Islander histories and cultures in Australia. When internal policies are reviewed and developed, we will ensure that they are inclusive of Aboriginal and Torres Strait Islander peoples and perspectives, and that there is a plan in place to ensure that all staff comply with these policies in their daily practice.
Staff Engagement with RAP	Commitment to the Reconciliation Action Plan (RAP) from all staff is essential for developing a RAP that is implemented in a meaningful and sustainable way. All staff will be involved in the ongoing development and implementation of our RAP through staff development opportunities facilitated by the RAP Working Group.

OPPORTUNITIES

WITH THE COMMUNITY

RAP ACTIONS	COMMITMENT
Celebrate RAP Progress	We are committed to reflecting on the progress made in the growth of knowledge and pride in Aboriginal and Torres Strait Islander histories, cultures and contributions in our early learning service. We will track the progress of our RAP, continually revisit our commitments, and celebrate our achievements, while generating new ideas to develop and sustain our RAP into the future.
Aboriginal and Torres Strait Islander Languages	We commit to providing students and children with a deeper knowledge and understanding of Aboriginal and Torres Strait Islander cultures and identities by learning about Aboriginal and Torres Strait Islander languages. We acknowledge the importance of language maintenance and revitalisation efforts and will provide students and children with opportunities to learn – or learn about – the First Language of their local area.
